The Canadian Indoor Rowing Championships (CIRC) is making a return to the Paramount Fine Foods Centre as it has done in February for a dozen years with a renewed excitement. CIRC 2022 will be a great polishing opportunity for the local organizing committee and Tourism Mississauga as they prepare to welcome competitors from 175 different nations when they host the 2023 World Rowing Indoor Championships (WRICH 2023), a first in Canada. The size of the venue, ample seating and close proximity to Pearson International Airport make it ideal for staging the two-day indoor rowing championships.
